

Student member

Not aligned to the SCoPEd framework

Wants to become a registered member aligned to column A of the SCoPEd framework

Qualifications, training and experience

- Studying a core practitioner course, not BACP accredited.

What next?

- Graduate from your course.
- Provide evidence you've graduated to become an individual member.
- Apply for and successfully pass the Certificate of Proficiency (CoP).
- Once you've passed the CoP, you'll become a registered member aligned to column A of the SCoPEd framework.
- You can practice column A, B and C competences from the SCoPEd framework where you have the right skills, knowledge, training and experience to do so.
- You can work towards accreditation eligibility requirements if you wish to.
