Aligned to column A of the SCoPEd framework

Wants to become an accredited member aligned to column B of the SCoPEd framework

## Qualifications, training and experience

- Successfully completed a BACP accredited course or professional counselling or psychotherapy training that:
  - included at least 450 hours of tutor contact hours, over two years (part-time) or one year full-time
  - included a supervised placement as an integral part of the training
  - covered theory, skills, professional issues and personal development
  - required an assessment of your competence at the end
- Been in practice for at least three years.
- Accumulated 450 hours of supervised practice within three to six years.
- 150+ of these hours achieved after successful completion of training and the date on your award certificate.
- Minimum of 1.5 hours' supervision per month.

## What next?

- You can continue to practice column B and C competences from the SCoPEd framework where you have the right skills, knowledge, training and experience to do so.
- Apply for accreditation via our temporary accreditation mechanism (available until early 2026) by submitting:
  - evidence that you meet all our training, supervised practice, and supervision requirements
  - your responses to the reflective practice criteria i.e your current way of working (criterion 1) and case material (criterion 2)
  - your Supervisor's statement
